COMMITTEE REPORTS

Committee on Environment and Energy, Chairman Wiggins reporting:

Mr. Speaker: Your Committee on Environment and Energy, to which was referred **HCR 29**, begs leave to report it has examined the same and recommends that it **Do Pass**.

House Concurrent Resolution No. 29

WHEREAS, the U.S. Department of Energy is in the second year of a ten-year plan to truck spent nuclear fuel containing weapon-grade plutonium and uranium from South Carolina to a waste storage site in Idaho; and

WHEREAS, last year, the U.S. Department of Energy routed the nuclear waste through the state of Iowa on Interstate 80, which is less traveled and has fewer accidents than other possible interstate routes; and

WHEREAS, for the summer of 2000, the U.S. Department of Energy has decided to reroute the nuclear waste through the state of Missouri on Interstate 70, which has far more traffic, far more accidents and far more maintenance problems than Interstate 80; and

WHEREAS, according to the Missouri Department of Natural Resources, in 1997, 6,242 accidents occurred on I-70 in Missouri compared to 1,574 accidents on I-80 in Iowa, and in 1998, 6,476 accidents occurred on I-70 in Missouri compared to 1,270 accidents on I-80 in Iowa; and

WHEREAS, in February of this year, the Governor of Missouri sent a letter to the U.S. energy secretary opposing the use of Interstate 70 for transportation of nuclear waste, citing the extremely high traffic volume and the large number of planned construction projects on Interstate 70 that will reduce traffic flow to a single lane throughout the summer of 2000; and

WHEREAS, in light of the U.S. Department of Energy's goal to protect the public and to protect the nuclear waste material during transportation, the decision of the Department to reroute nuclear waste on Interstate 70 instead of the safer Interstate 80 seems inconsistent with the stated goal of the Department:

NOW, THEREFORE, BE IT RESOLVED that the members of the House of Representatives of the Ninetieth General Assembly, Second Regular Session, the Senate concurring therein, hereby denounce the decision by the United States Department of Energy to reroute nuclear waste through the state of Missouri on Interstate 70 for the summer of 2000 and urge the energy secretary to utilize Interstate 80 for the transportation of nuclear waste; and

BE IT FURTHER RESOLVED that the Chief Clerk of the Missouri House of Representatives be instructed to prepare a properly inscribed copy of this resolution for Bill Richardson, the United States energy secretary.

Committee on Federal-State Relations and Veterans Affairs, Chairman Boucher reporting:

House Concurrent Resolution No. 27

WHEREAS, military retirees who have served honorably for twenty or more years constitute a significant part of the aging population in the United States; and

WHEREAS, these retirees were encouraged to make the United States Armed Forces a career, in part by the promise of lifetime health care for themselves and their families; and

WHEREAS, prior to age sixty-five, these retirees are provided health services by the United States Department of Defense's TRICARE prime program, but those retirees who reach the age of sixty-five lose a significant portion of the promised health care due to Medicaid eligibility; and

WHEREAS, many of these retirees are also unable to access military treatment facilities for health care and life maintenance medications because they live in areas where there are no military treatment facilities or where these facilities have downsized so significantly that available space for care has become nonexistent; and

WHEREAS, the loss of access to health care services provided by the military has resulted in the government breaking its promise of lifetime health care; and

WHEREAS, without continued affordable health care, including pharmaceuticals, these retirees have limited access to quality health care and significantly less care than other retired federal civilians have under the Federal Employees Health Benefits Program; and

WHEREAS, it is necessary to enact legislation that would restore health care benefits equitable with those of other retired federal workers; and

WHEREAS, several proposals to meet this requirement are currently under consideration before the United States Congress and the federal Department of Defense and Department of Health and Human Services; of these proposals, the federal government has already begun to establish demonstration projects around the country to be conducted over the next three years, which would allow Medicare to reimburse the Department of Defense for the costs of providing military retirees and their dependents health care; this project would allow a limited number of Medicare-eligible beneficiaries to enroll in the Department of Defense's TRICARE prime program and receive all of their health care under that program:

NOW, THEREFORE, BE IT RESOLVED that the members of the Missouri House of Representatives of the Ninetieth General Assembly, Second Regular Session, the Senate concurring therein, hereby memorialize the Congress of the United States to maintain its commitment to America's military retirees by providing lifetime health care for military retirees over the age of sixty-five; to enact comprehensive legislation that affords military retirees the ability to access health care either through military treatment facilities or through the military's network of health care providers, as well as legislation to require opening the Federal Employees Health Benefits Program to those uniformed services beneficiaries who are eligible for Medicare, on the same basis and conditions that apply to retired federal civilian employees; and to enact any other appropriate legislation that would address the above concerns; and

BE IT FURTHER RESOLVED that the Chief Clerk of the Missouri House of Representatives be instructed to prepare properly inscribed copies of this resolution for the President of the United States, the President of the Senate and Speaker of the House of Representatives of the United States Congress, and all members of the Missouri Congressional delegation with the request that this resolution be entered in the Congressional Record as a memorial to the Congress of the United States.
